- Size: 160 x 600 pix

### Brand Gate/Fireplace

The brand gate takes up the complete above, left and right advertising area of the website. It is the biggest (size) and the most prominent way to advertise.

- Size:
  - above 980 x 90 pix, Background colour
  - left 160 x 600 pix, right 160 x 600 pix,
  - with hex code

### Scroll Ad

The scroll ad is a large-format banner that places your advertising right in the middle of an article. Via scrolling the banner moves within the reading flow.

- Size:
  - 960 x 600 pix
  - Only JPG, GIF
  - appears only on article pages
