SPOTLIGHTMETAL - 2021

Proud Member of

EUROGUSS FAMILY

What is SPOTLIGHTMETAL?

As Executive Director of the leading die casting show, EUROGUSS I am proud to be responsible for www.SPOTLIGHTMETAL.com, the **leading Online Platform** covering the whole value chain of the die casting market, as part of the **EUROGUSS** product family.

SPOTLIGHTMETAL offers direct access to your customers. Our visitors not only include executives of international die casting companies, suppliers and contractors, but also users of casted products such as Tier-1-Suppliers and OEMs in the Automotive Sector.

Reach your target group through our Media Services 365 days a year!

- > **20.000 Newsletter-Subscribers** – largely exhibitors of EUROGUSS
- > **95.000 visitors per month** www.spotlightmetal.com
- > **129.000 page views** per month

TOP Countries: India, Germany, USA, Great Britain, Italy, Turkey, Mexico and China

Your Video Statement on EUROGUSS TV

Marketing Goal

Let your customers and the SPOTLIGHTMETAL audience know why you are the right solutions provider.

Process

Our professional camera crew will interview you or an expert from your company during your EUROGUSS participation.

The following day your edited video will appear in our Special Edition Newsletter and on our social media channels. This will attract customers to your booth.

Price per video 900 EUR

Are you interested in publishing the video on your website or news channels? No problem – for a **license fee of 250 EUR** you can purchase the video including unlimited right of use.
